EDUCATION

- **BTech in Computer Science and Engineering** (2023 - 2027)

Specialization - **Cloud Computing and Automation**
Cumulative GPA - **7.40**, Vellore Institute Of Technology

SKILLS

Languages: C++ , Python
Libraries: Pandas, NumPy, OpenCV, Matplotlib
Databases: MongoDB, MySQL
Tools: Git, GitHub, VS Code, Jupyter Notebook
Core Subjects: OOPS, DBMS, Computer Networks, Operating Systems

PROJECTS

FaceAttend – Attendance System
Python, OpenCV, DeepFace, Flask, Firebase

- Developed a face recognition-based attendance system using Python, OpenCV, and DeepFace.
- Implemented user registration and automated attendance marking with Firebase for cloud data storage.
- Built a simple Flask web dashboard to view and manage attendance records.

Forest Fire Prediction System
Python, Pandas, Scikit-learn, Random Forest, XGBoost

- Developed a machine learning model to predict forest fire occurrence.
- Improved prediction accuracy by **20%** through feature engineering.
- Performed preprocessing, model training and evaluation on environmental datasets.

Carbon Emission Analysis & Forecasting
Python, TensorFlow, Pandas, Matplotlib

- Developed LSTM, GRU and SimpleRNN models for carbon emission forecasting.
- Achieved approximately **98%** test accuracy through model tuning.
- Analyzed multi-year carbon emission trends using data visualization.

CERTIFICATIONS

- **Google IT Support Professional Certificate** – Covered IT support, troubleshooting, networking, system administration, and security fundamentals.
- **NPTEL Elite Certification – Cloud Computing and Distributed Systems** – Covered cloud computing concepts, distributed systems, virtualization, and cloud architecture.

EXTRA-CURRICULAR ACTIVITIES

- Represented at the **district level in badminton**, demonstrating competitive sports experience and discipline.
- Served as a **core member of PR and Outreach** at a college club, contributing to promotions and external engagement.
- **Led and coordinated multiple technical events**, managing event execution and participant coordination.
- Active member of the **NSS Club**, contributing to social service and community-oriented activities.
